TO: Heidelberg "KHOBBY"
ATTN: []

1. [] in Madrid has requested material to be utilized by Radio Nacional for its broadcasts to the Soviet Union and Satellite areas. Specifically, he would like to have regular editions of the Ukrainian newspapers published in Germany, Hungarian emigre periodicals, anti-Soviet propaganda pamphlets from other Satellite emigre groups, etc.

2. We feel that the best way of meeting []'s request would be for EDUCATOR to select a few choice items suited to the purpose and punch these on a [] basis to Washington for transmission to Madrid. Will you, therefore, inform me as to your ability to collect and forward such material? I wish to emphasize that the Home Office does not want you to engage in this activity unless it can be done without conflict with your other operations.
